Petersburg 15 December
[illegible]

My dear Kathleen;

I shall be so happy
to see You again, my
dear child and have
a good talk with Mother
too. — I returned a
few days ago from
my tour, very successful

I read at the „Signale"
about Your succes in
Leipsic.-
Thank You so very
heartly for thinking
on my Cigars; I know
many of them; but as
I know You would not

venture to bring me
some as like You
go at the corne shop
„Ecke Friedrich Strasse
und Französische Strasse
Boenicke, and ask
for „Antillas Cubanas
de S. y C. flor fina,
Representantes finos, claro.-
but not more than 50 pieces.

I am very curious to hear
the two new Concertos ...
And now good by! Love
to You and Mother. —
